CONFLICT OF INTEREST CODE FOR THE COUNTY OF SAN DIEGO TECHNOLOGY OFFICE

The Political Reform Act, Government Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act.

Therefore, the terms of 2 Cal. Code of Regs. Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which members and employees and designated and disclosure categories are set forth, constitute the conflict of interest code of the County of San Diego Technology Office.

Designated employees shall file statements of economic interests with the agency who will make the statements available for public inspection and reproduction. (Gov. Code Section 81800.) Upon receipt of the statements of the County of San Diego Technology Office, the agency shall make and retain a copy and forward the original of these statements to the Clerk of the Board of Supervisors. Statements for all other designated employees will be retained by the agency.
