DAN McALLISTER

TREASURER-TAX COLLECTOR
SAN DIEGO COUNTY

NOTICE OF IMPENDING POWER TO SELL TAX-DEFAULTED PROPERTY

Made pursuant to California Revenue and Taxation Code Sections 3361

Pursuant to Revenue and Taxation Codes section 3691 and 3692.4, the following conditions will, by operation of law, cause real property to become subject to the tax collector's power to sell on July 1, 2010.

1) All property for which taxes and assessments have been in default for five or more years.

   NOTE: The power to sell schedule for nonresidential commercial property is three or more years of tax-default status, unless the county adopts, by ordinance or resolution, the five-year tax-default schedule.

2) All property that has a nuisance abatement lien recorded against it and for which property taxes and assessments have been in default for three or more years.

3) Any property that has been identified and requested for purchase by a city, county, city and county or nonprofit organization to serve the public benefit by providing housing or services directly related to low-income persons and for which property taxes and assessments have been in default for three or more years.

The parcels listed here meet one or more of the criteria listed above and thus, will become subject to the Treasurer-Tax Collector's power to sell on July 1, 2010 at 12:01 a.m. by operation of law. The Treasurer-Tax Collector's Power to Sell will arise unless the property is either redeemed, or, if eligible, made subject to an installment plan of redemption initiated as provided by law prior to 5 p.m. (close of business) on June 30, 2010. The right to an installment plan terminates on June 30, 2010, and, after that date, the entire balance due must be paid in full to prevent sale of the property at public auction.

The right of redemption (i.e., the right to pay the defaulted taxes in full and avoid the parcel being offered at sale) survives the property becoming subject to the power to sell, but it terminates at 5:00 p.m. on the last business day before actual sale of the property by the Treasurer-Tax Collector. Parcels not sold at the scheduled tax sale may be re-offered for sale within a 90-day period and any new parties of interest shall be notified.

Information concerning redemption or the initiation of an installment plan of redemption will be furnished, upon request, by **DAN McALLISTER, San Diego County Treasurer-Tax Collector,** and may be obtained by contacting one of the offices that are located in **SAN DIEGO** at 1600 Pacific Highway, Room 162, San Diego, CA 92101; **SAN MARCOS** at 141 East Carmel St, San Marcos, CA 92078; or **EL CAJON** at 200 South Magnolia Avenue, El Cajon, CA 92020, or by calling **toll free 1-877-829-4732**, or by visiting **www.sdtreastax.com.**

PARCEL NUMBERING SYSTEM EXPLANATION

The Assessor's Parcel Number (APN), when used to describe property in this list, refers to the assessor's map book, the map page, the block on the map, if applicable, and the individual parcel on the map page or in the block. The assessor's maps and further explanation of the parcel numbering system are available in the assessor's office.
