

You can find more public information about these projects by using our Kivanet land and permit search engine. Using the service is easy. Click on the link below to bring up the main page. Searches can be done by clicking on either the "Permitting System" link or "Land Information" link. If you use the "Permitting System" link, type in the "permit type" and "permit number" for the project in the appropriate spaces. If you use the "Land Information" system, type in the Assessor's Parcel number or the property's street address.
