

Santa Margarita and San Luis Rey Watersheds

Septic System Rebate Program

Program ends June 30, 2012 or when rebate funding is exhausted.

Rules

1. The rebate is to reimburse part of the expense of having a septic system inspected and, if deemed necessary by the septic system hauler, pumped.
2. Rebate Program participants MUST be located within San Diego County and MUST within the Santa Margarita Watershed or the San Luis Rey Watershed. Rebates will be administered on a first- come, first-served basis.
3. A limited number of rebates are available. Limit one rebate per household.
4. Rebate Program participants MUST have completed the pre-survey, review of the online septic system presentation, and complete the post survey. Participants cannot transfer qualification to a third party.
5. To receive the rebate, the participant MUST submit an original receipt, address of the septic system location and the estimated volume and % of solids pumped from the septic system to Mission RCD within 90 days.
6. Rebates will only be reimbursed for services provided by permitted septic haulers.
A list of permitted haulers is located at:
http://www.sdcounty.ca.gov/dpw/watersheds/residential/septic_rebate.html
7. If the Rebate Program participant does not submit a receipt and other required information within 90 days of notification of intent to participate, the participant will have forfeited his or her rights to the rebate and the rebate will be given to the next alternate on the "Sign-Up List".
8. If the rebate participant is from the "Alternate Sign-Up List" he or she will have 90 days from the day he or she was informed of being moved to the "Active Participant" role to submit an original receipt and the additional requested information.
9. The original receipt and requested information can be submitted in person or by mail to Mission Resource Conservation District, 1588 S. Mission Road, Suite 100, Fallbrook, CA 92028(must be postmarked within 90 days of service).

Explanations

1. A check (for \$100) will be written to the Rebate Program participant upon submittal of a permitted septic hauler receipt, pre-survey, post survey, and the additional information listed in Rule#5.
2. Any information collected will not be put on a mailing list or sold; it is for informational purposes only.
3. For more information or if you have questions about the rebate, please contact Bethany Principe at Mission Resource Conservation District at (760) 728-1332 or beth@missionrcd.org
